

EASY TACK

THE REVOLUTIONARY NEW FLANNEL BOARD

N1028964

N1028963

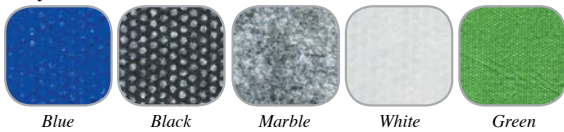

No Minimum Order! Custom Sizes Available with No Minimum!

Replace old flannel boards with Easy Tack boards. Librarians no longer need to attach Velcro or magnets to their story-time cut-outs. Just cut-out any picture and place it on the board (laminated pictures for a longer life). Don't spend extra money on flannel or felt pictures or waste time by adding magnets and Velcro. Easy Tack works with paper, plastic, felt, cardboard ... anything!

Easy Tack is a self-adhesive fabric that holds any lightweight display item without leaving a residue behind. Simply place your item on the board, and it will adhere – no flannel, Velcro or magnets required. Items will stay in place until you remove them, making changes quick and easy.

Easy Tack will last for years. If the board becomes dirty, simply wash with soap and water to restore tackiness. Easy Tack is available in five colors. Select the fabric color that best coordinates with your library's interior décor. Choose from two frame options: solid oak frame or satin anodized aluminum frame. Additional fabric is also available for libraries that want to cover a whole wall for story time! Shipping not included, call for estimates.
